

GRIMLOC

PORTABLE LOCKING D-RING

PROUDLY MADE IN THE
USA

The GRIMLOC is designed for use by operators in a tactical environment as a lightweight corrosion resistant replacement for heavy metal climbing carabiners. The high strength polymer structure easily supports weapon sling connection points to body armor, and features a break away design to eliminate snags. The GRIMLOC is perfectly suited for connecting your tactical accessories that require quick and easy one-handed access.
